Global Pipe Company Ltd. Started Its Commercial Production

Global Pipe Company Ltd. announces today that it has entered into its Commercial Operation and Exports.

Managing Director **Mr. Ahmed H. Al-Khonaini** announces today that the **Global Pipe Company Ltd.** has successfully achieved all the trial operation stages with wonderful function of all equipments & facilities and reliable company quality system, as the company has produced its First Commercial Order of LSAW Line Pipes and has delivered it on 11th March 2013.

Global Pipe Company Ltd. is a Joint Venture Company in Jubail Industrial City between EEW (German specialized LSAW Pipes Manufacturer), Saudi Steel Pipes, **Ahmed Hamad Al-Khonaini** and **Pan Gulf Holding**, with an investment of over 660 Million Saudi Riyals. The Company specializes in LSAW Pipes with outside diameter from 16 to 62 inches and thickness from 8 to 51mm line pipes for Oil and Gas Line Pipe Applications, as well as diameter up to 200 inches (5 Meter) and thickness up to 130mm for Structural Tubular. The Annual Production of the Company is 200,000 Tons.

Mr. Ahmed H. Al-Khonaini expressed his deep gratitude and appreciation to all the people working in the company and to the Board Members. Appreciation and thanks is also extended to Saudi Aramco who has facilitated all the efforts in regard to the supply of natural gas to the company.

Special appreciation and gratitude to Royal Commission for their unlimited and continuous support to the company during the design and construction phases. Special thanks to SIDF for their financial support and contribution for the Loan of SR 200 Million.

Moreover, thanks and appreciation to SAGIA, Labor Office, MARAFIQ Company and to all the Governmental concerned department for their support.
